1. The following is an examiner's statement of reasons for allowance: Applicants have amended their claims to limit the scope to the data provided in the instant specification. As pointed out in the remarks of 7/20/05, the results are indeed unexpected, as suggested on page 19, Figure 61, which has been tabulated in the remarks. Inasmuch as the results are unexpected, the claims are patentable over prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
